Adam Tiktin has left Marcus & Millichap to start his own brokerage company, Tiktin Real Estate Investment Services, Inc. in North Miami Beach, FL.

Tiktin had been with the firm for just over 15 years, specializing in the sale of shopping centers, single-tenant net-lease properties and multi-tenant office buildings. Some of his most notable deals include a \$15 million sale of two acres along Biscayne Blvd., and a shopping center in Port St. Lucie for \$9.8 million.

Tiktin has recruited three professionals from Marcus & Millichap, adding Justin Spiller as an investment specialist, Alen Hernandez as senior financial analyst and Janina Phillips as the office's administrative assistant.
